

**CONVERT
TO
PLAYCHOICE
10**

The graphic features a large black circle centered on a red background. Inside the black circle, the words "CONVERT TO PLAYCHOICE" are written in bold, white, sans-serif capital letters. Below this, the number "10" is displayed in a large, stylized white font with a black outline. The "10" appears to be shattering through the red surface, with white shards of the material flying outwards from behind it. The overall design is high-contrast and eye-catching.
